SALLY BURIFF Homecoming Queen

In Memory of Charles Zimmerman

Yet Love will dream and Faith will trust,
(Since He who knows our need is just)
That somehow, somewhere, meet we must.
Alas for him who never sees,
The stars shine through his cypress-trees!
Who, hopeless, lays his dead away,
Nor looks to see the breaking day,
Across the mournful marbles play!
Who hath not learned, in hours of faith,
The truth to flesh and sense unknown,
That Life is ever lord of Death,
And Love can never lose its own!

From Whittier's "Snowbound"

MRS. HAMILTON
(Secretary)

MR. STINGLEY
(SUPERINTENDENT)

Our superintendent, Mr. C. L. Stingley, graduated from Wilmington College with a Bachelor of Science Degree in Education. He also has a Master of Arts in School Administration from Ohio State University.

Mr. Stingley has had previous experiences as a school principal, superintendent, and coach at schools in Clinton and Preble counties.

Mr. Stingley thinks our school has advanced far in the twelve years he has been here. Since the people have stood solidly behind all school projects and efforts, they have seen our school grow by "leaps and bounds." This in itself has been very gratifying in Mr. Stingley's eye.

Mr. Stingley became superintendent when our class entered the first grade. Now we are leaving, but first we want to thank Mr. Stingley for the help he has given us.

Mrs. Patricia Hamilton, our school secretary, graduated from Bliss Business College in Columbus, Ohio. She has worked as a secretary at Wright Field.

Mrs. Hamilton has been a very fine secretary for our school this year. Our class would like to thank Mrs. Hamilton for all the things she has done for us this year.

(PRINCIPAL)

Mr. Hadley Watts, our new principal, was graduated from Ohio Northern College with a Bachelor of Science Degree in Education in 1934. While in 1940 he received a Master Of Arts Degree in School Administration at Ohio State University.

Mr. Watts has had previous experience as a Principal at Vanlu, Ohio and prior to his coming here he was coach and athletic director at Fairmont High School.

Now Mr. Watts is Centerville's principal and athletic director. During his first year as principal of our school he believes the fine school spirit and cooperation of the students, faculty, and school in general is of the finest caliber he has ever seen.

The senior class wishes to express their thanks and appreciation for all the patience, assistance and guidance he has given us.

SONNY RODWELL

Elks Line-Up

SONNY RODWELL: The captain and spark plug of our Elks, played on the Varsity this year for the first time. Sonny was voted the fourth man on the All County Coaches Team and also sixth on the All County Journal Herald Team. Congratulations Sonny!

FRANK SLOVACK: Our six-foot seven-inch center, played a valuable game on the bank boards. His height proved a valuable asset to our team. Congratulations Frank!

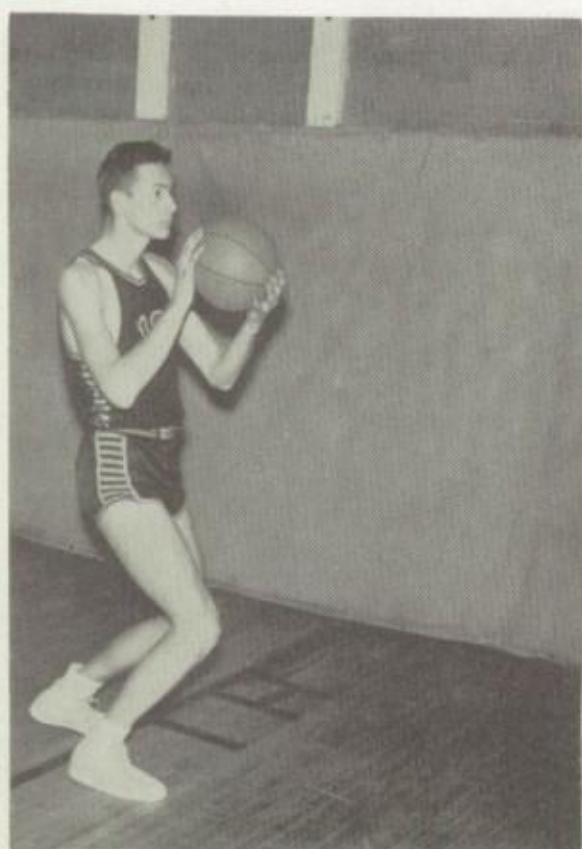

BOB AGNE: A fast moving guard, good for some long one-handed push shots, when we needed them. He was a calm cool ball handler. Congratulations Bob!

JAMES MONTGOMERY: Chief rebounder, came through in the clutch in many important contests. Only Varsity man back from previous year. He made honorable mention on the Journal Herald All County Team. Congratulations Monty!

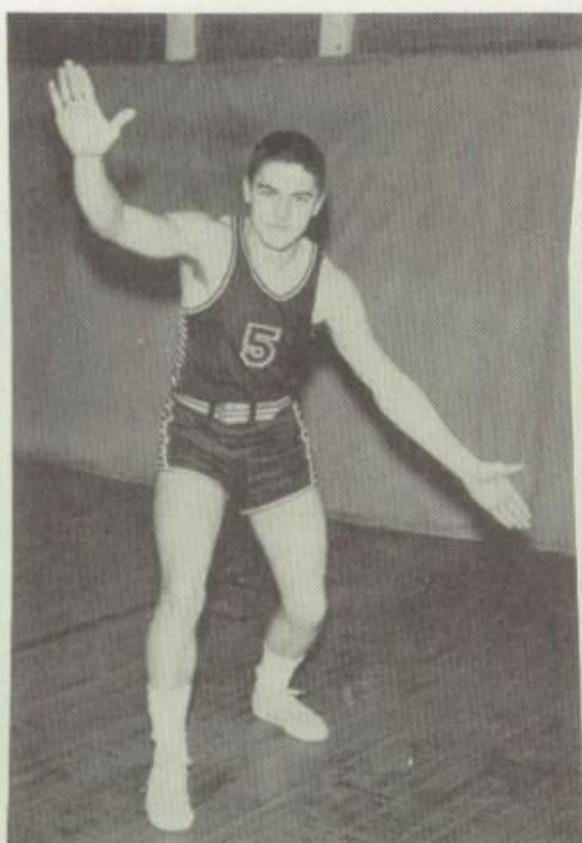

SCOTTY ALLAN: A first-string junior, played smooth ball all through the season. Scotty's favorite shot is a long set shot from the middle of the court. This proved an asset against a zone defense. He made honorable mention in the All County Journal Herald Team. Congratulations Scotty!

JOE BERNER: A senior gave us great depth on our team by being a calm and cool extra man in time of need. Congratulations Joe!

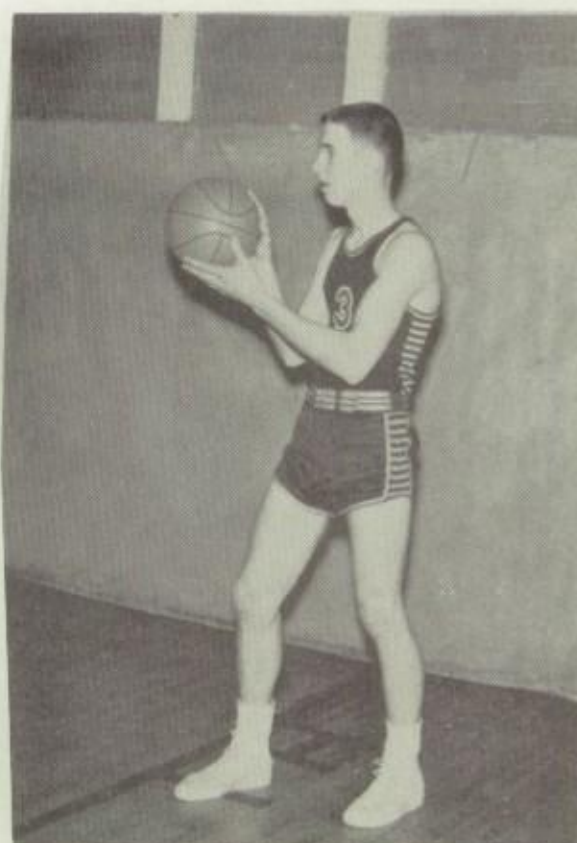

ROY TURTON: A fast-moving junior, kept the spirit of the team alive. About mid-season when Roy Advanced to the Varsity, he proved valuable in stalling the ball and dribbling around the opposition. Congratulations Roy!

Our "Upset Kids"

Our Elks started out the basketball season a little slow, but as the season wore on our team became more victorious. We ended with a seasonal record of 4 wins and 12 losses. During the season our greatest accomplishment was "upsetting" the Randolph Bobcats. At that time Randolph was voted as the No. 1 team in the state; therefore our beating them was one of the most unexpected and important victories of the season.

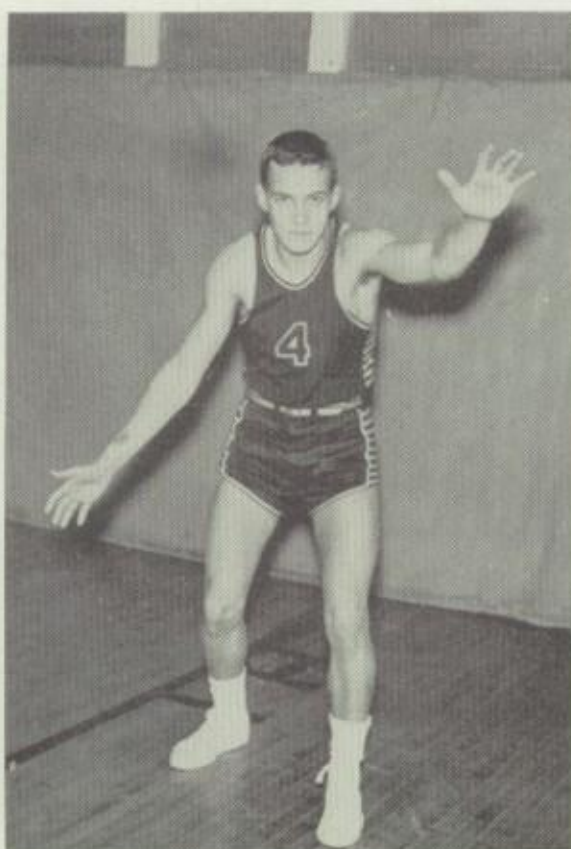

During the tournament we did quite well by winning two out of four games. We hope this season will spur next year's team to more victories, and also that it has given the players experience which will be an advantage to our team next year.

"WHEN WE WERE YOUNG AND GAY"

Class History

Twelve years ago in September of 1940, 25 little girls and boys entered the first grade. Of these, there will be nine to graduate. They are—Charmaine Trame, Joyce Sanders, David Phillips, Hazel Lee Butts, Bob Agne, Sally Buriff, Billy McCullough, Joan Dils, and Donald Hibberd.

Under the direction of Mrs. Grant, second grade teacher, we gave a play called "Old MacDonald Had a Farm." Sandra Schmieding, Mary Ellen Bailey, and Joan Riddle joined us this year.

Phyllis Barr and Joe Berner entered in the third grade when we were learning our multiplication tables.

In the fourth grade we were learning our long division. We thought we were very smart to do math problems that took so much paper.

In the fifth grade we had snow-ball fights with other classes. Mary Emma Storer and Rosemary Kleimeier joined us this year.

Doris Stibbs and James Montgomery joined us in the sixth grade. It was this year that we didn't think we were so smart in math. We had to stay in at noon and finish our problems.

In the seventh grade our class spent more time in the hall than in the classrooms. This was the first year that we changed classes. Darlene Kennard joined us this year.

We had our first hayride in the eighth grade. The boys became interested in sports, and the girls interested in the boys. Barbara Huff and Sonny Rodwell came to join our class.

Our first year of high school finally rolled around. This year we thought we were really something, especially in sports. The boys took second place in the Junior High Tournament. Our class grew two in number. Frank Slovack and Tom Stokes joined us this year.

In our Sophomore and Junior years we worked very hard to make money for the Junior-Senior Prom. For our Junior year we presented "Seventeenth Summer," which was a great success. We were very anxious for school to begin, as we got our class rings. Marilyn Eismann joined us in our Junior year.

Our last year finally came. We were still looking for ways to raise money for our trip to Washington, D. C. Our class sponsored the Donkey Basketball Game and the Senior Class Play. We also had a very nice time at the Junior-Senior Prom given by the Juniors. Lois Lane joined us this year which made the graduating class a total of twenty-five.

We hope this isn't the end of our history, but just the beginning.

We Bestow And Bequeath

We the Class of "52",
Sound of mind and body the same,
Do bequeath these traits to you,
As we depart and go to fame.

These treasures we leave,
We want you to use,
To follow in our steps,
And fill in our shoes.

Will It Come True?

As the class of '52 graduated, each member went his own way to seek his fortune. Before parting, we all agreed to have a reunion in 1962. Tonight is the date, and as I entered the cafeteria, I thought of all the good times we used to have. But I met with no greeting of hello, no happy faces I knew long ago—only these telegrams:

Dear Classmates: Newest novel, "Cyclone Cove," just made best-seller list. Must attend banquet to receive Pulitzer Award tonight.
Rosemary

Senator Phillips busy making speeches for re-election. As campaign manager, I'm busy, too. All I can say is, "Keep your government as high as your noses!" Vote for Dunkel!
Joe Berner

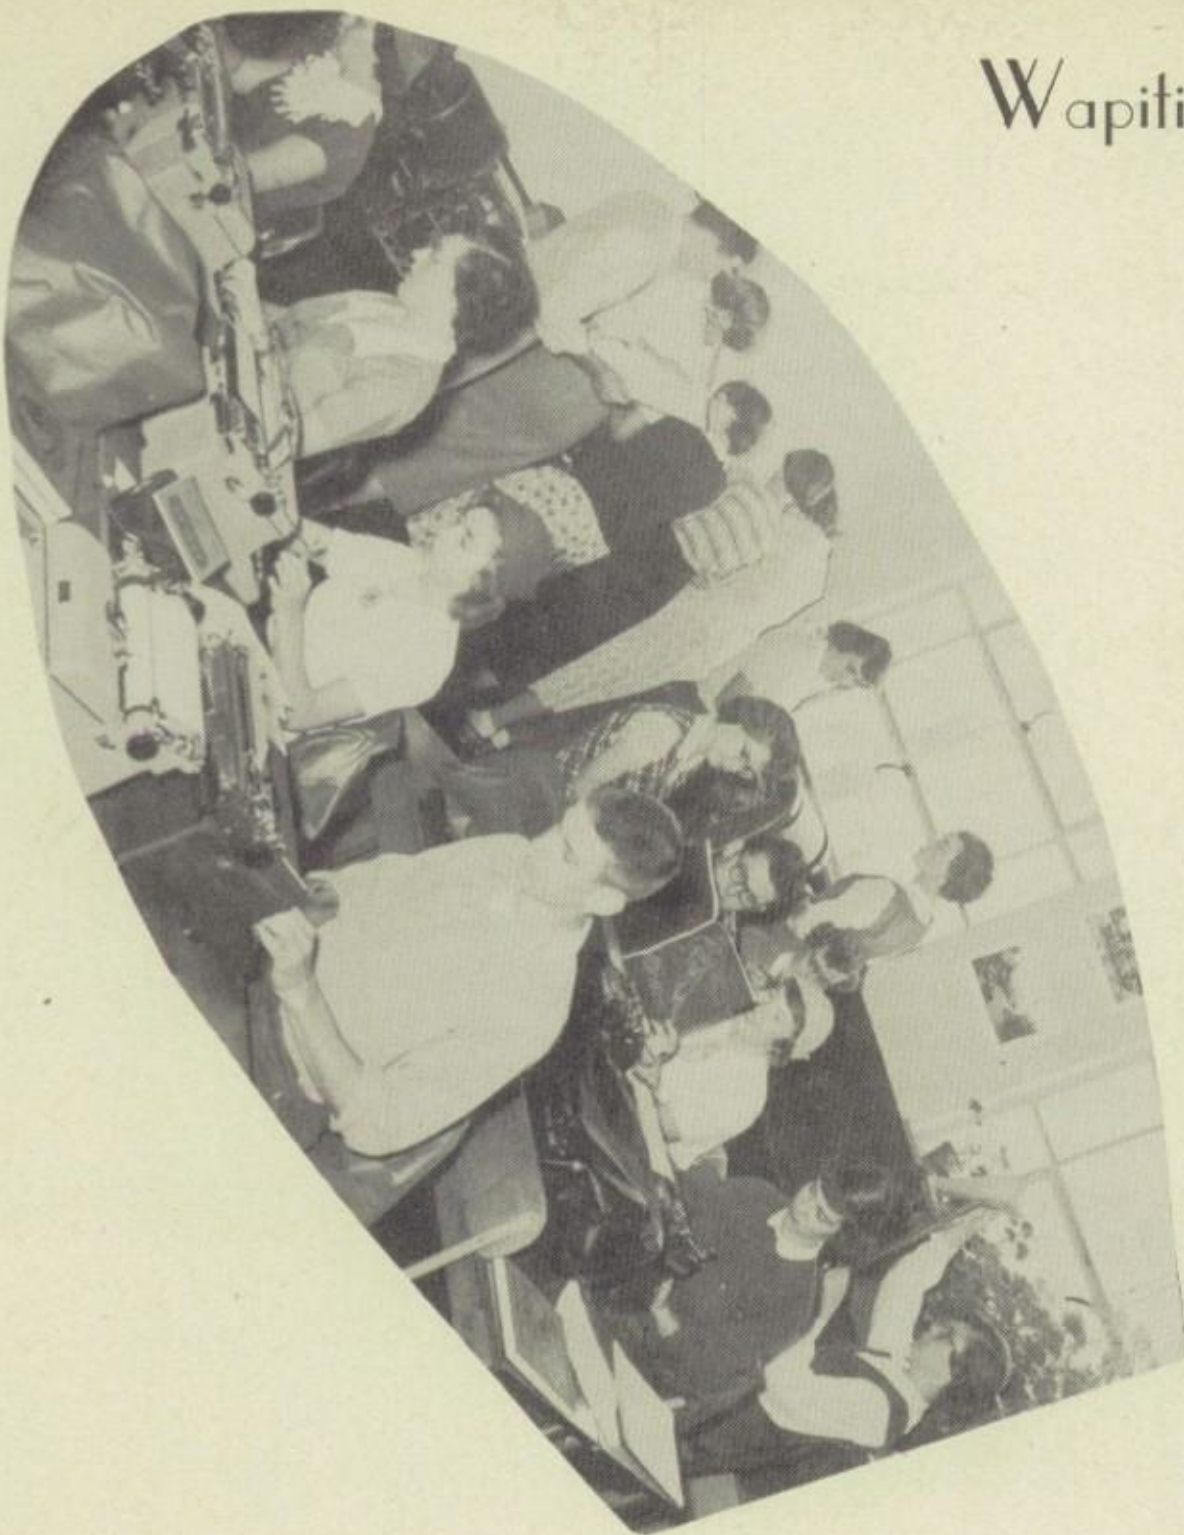

It looks as though everyone has fulfilled his ambitions. I wish them all the luck and a more prosperous future. Now I must get back to my paint brushes. As a commercial artist, I am busy, too.
